The Middle School Association Sundowner is an opportunity to meet your association committee members, other passionate Middle School Educators. It is a great way to develop important networks across systems and sectors. This year at the Sundowner you will have an opportunity to find out what is happening in regards to Middle Schooling at some of our member schools and membership renewals will also be accepted on the day. So come and collect a gift bag, have a drink and a chat at the Middle Schooling Sundowner.

For catering purposes please RSVP
